“Loved everything about flying Ultimate Air Shuttle. It is so nice to not have to leave for the airport three hours ahead of time - we got to Lunken six minutes before flight time! The flight crew was fantastic, very friendly and helpful! We will fly with you every time our plans take us to one of your destinations!”
– Lisa H.

“Nice to be able to fly to Chicago and back in the same day without hassle. Crew was great, no complaints at all.”
– Jason M.

“My family and I used Ultimate Air for the first time, and it was fantastic! Great service, friendly crew and no time wasted.”
– James H

“Go Ultimate Air Shuttle! To return to New York this morning I had the choice between Delta and Ultimate Air. Thankfully I chose Ultimate - flight was on time and no weather issues. My Delta choice into LGA was cancelled. I'll always use the best carrier in the business - Ultimate Air Shuttle.”
– Patrick C.

“It's the only way to fly! Great staff with the best service. Super friendly.”
– Beth R., REES Company

“To me, flying Ultimate Air is all about efficiency. It enables me to do more in one day than I could do otherwise if I flew commercial.”
– James H., President
Duke Energy Ohio & Kentucky

Ultimate Air Shuttle and Ultimate JetCharters support many great organizations in the Greater Cincinnati area and destination cities. We have been fortunate to provide discounted and free flights to non-profits and charities throughout the region and help them raise significant funds for their causes.

To date we have eclipsed $950,000 in donations and are committed to giving more.

Go to [www.ultimateairshuttle.com/charities](http://www.ultimateairshuttle.com/charities) for program details.
Ultimate JetCharters, the parent company of Ultimate Air Shuttle, has been in business since 1984. An Ohio-based company, Ultimate JetCharters is an on-demand jet service providing service throughout the United States for casinos, Fortune 500 companies, entertainment industry professionals, collegiate sports and more. They also act as a broker to find other jets available for charter.

Ultimate Air Shuttle began in 2009 with service out of Cincinnati to New York City. In 2010, we expanded to Chicago, and in 2012, Charlotte became the newest charter. In 2015, we added service from Cincinnati to Cleveland, and in March 2017, we began service to Atlanta. We added direct service between Atlanta and Charlotte in March 2019.
Our Fleet – A Leader in History

- We operate a fleet of Dornier 328-300 and Embraer 135. The aircrafts’ high-quality commercial level of design and manufacturing offers reliable performance under rigorous conditions. Our charter services have Platinum-Certified safety ratings, and we are currently a part of an FAA beta testing group for a new Safety Management System that will be standard in the U.S. soon for all charter operators.

- Features of the Dornier 328-300:
  - Large 6’2” stand-up cabins
  - All-leather, 30-seat interiors
  - Cruising speed of more than 450 mph
  - Nonstop flights of up to 1,000 miles

- Features of the Embraer 135:
  - Extended leg room
  - All-leather, 30-seat interior
  - Cruising speed of more than 515 mph
  - Nonstop flights of up to 1,500 miles
  - Individual charging stations at each seat
• Our **CLIENT SERVICES TEAM** – the Magnificent Seven – will make certain that all of the logistics of your trip are in order at all times. They’re fast to act, keep meticulous company records, accommodate last-minute requests and changes, and are there for you no matter what.

• Our **MANAGING DIRECTOR**, who has direct support from the **BUSINESS DEVELOPMENT MANAGER** and our **REGIONAL MANAGER** team, will help you understand every aspect of our shuttle service and how it can benefit your operation. They are directly responsible for your experience and strive to make it completely hassle-free.

• Our **EXECUTIVE LEADERSHIP** team has been in the airline industry for more than 40 years and is committed to leading, growing and improving customer satisfaction.

• Our 12-person, **IN-HOUSE MAINTENANCE TEAM** is the largest Dornier aircraft operation in the U.S. and is led by Dave Denes, the best mechanic in the country frequently sought after for his expertise.
